Green Bike Project Online Commute Tracking Calendar Privacy Policy Statement

The Green Bike Project will not sell, distribute, or otherwise disseminate your information to any third party. Information given by participants, both contact information and commuting information, will be kept confidential and will be used exclusively for the following purposes:

1. to communicate with participants about the project,
2. to calculate and report the total drive alone miles and trips reduced by the Green Bike Project for our funding source; and
3. to determine whether participants have fulfilled their pledge for the Green Bike Project, and earned either:
 - ◆ sole ownership of my Green Bike (if I have used the Green Bike for the Project), or
 - ◆ entry into the prize drawing for REI gift cards totaling \$1,000 (if I have used my own bike for the Project).
